

## CITY MANAGER'S AGENDA

1. Transmitting communication from Robert W. Healy, City Manager, relative to the reappointment of the following persons as Constables With Power for a term of three years, effective the first day of January, 2009: Deputy Fire Chief Michael Morrissey; Fire Lieutenant Brian P. Higgins; Walker C. Farrar, Jr.
2. Transmitting communication from Robert W. Healy, City Manager, relative to a Planning Board recommendation on the City Council Zoning Petition to amend the text of the Memorial Drive Overlay District, Section 20.80. **Referred to the Petition**  
Recommendation. The Planning Board recommends adoption of the City Council Petition with changes (the amended version of the text of the Memorial Drive Overlay District is attached). The Planning Board recommendation would retain those changes to the Overlay District proposed in the original Petition that limit the opportunity to modify setback and curb cut provisions that give protection to the parkway character of Memorial Drive. At the same time the Planning Board recommends keeping certain provisions, albeit reduced in scope, that the original Petition had eliminated. These provisions provide useful incentives for some new development on a very limited number of lots along Memorial Drive, which could eliminate unsightly conditions not compatible with the parkway character desired for Memorial Drive.
3. Transmitting communication from Robert W. Healy, City Manager, relative to Awaiting Report Item Number 08-114, regarding the parking lot at Linnaean Street and Massachusetts Avenue.
4. Transmitting communication from Robert W. Healy, City Manager, relative to Awaiting Report Item Number 08-144, regarding a report on ensuring that all playgrounds adjacent to schools are in good, safe, working order on Monday mornings when children return to school.
5. Transmitting communication from Robert W. Healy, City Manager, relative to the transfer of \$6,000 from the General Fund Mayor's Other Ordinary Maintenance account to the General Fund Mayor's Travel and Training account to cover anticipated travel expenses for the remainder of the fiscal year.
