#### **TEXT OF ORDERS**

O-1 Feb 1, 2016

#### **COUNCILLOR KELLEY**

WHEREAS: There are currently several bills before the

Massachusetts Joint Committee on Transportation that will expand protections for bicyclists and pedestrians of this and surrounding communities; and

WHEREAS: House Bill 3019, Senate Bill 1810 will protect bicyclists and pedestrians by requiring all large vehicles, such as the flatbed tractor-trailer truck that struck and killed Cambridge resident Anita Kurmann in August of 2015, to be equipped with sideguards and blind spot mirrors; and

WHEREAS: House Bill 3073, Senate Bill 1807 will protect "vulnerable users" – defined as pedestrians, bicyclists, skateboarders, scooter operators, and suchlike – traveling on public ways by requiring approaching motorists to slow down and pass only at a safe distance of not less than three feet; and

WHEREAS: Senate Bill 1809 will protect bicyclists by making it legal for them to occupy the crosswalk, and by expanding the protections for pedestrians in crosswalks to bicyclists as well; now therefore be it

RESOLVED: That the Cambridge City Council go on record in full support of H.3019/S.1810, H.3073/S.1807, and S.1809 as needed protections for area bicyclists; and be it further

RESOLVED: That the City Clerk be and hereby is requested to forward suitably engrossed copies of this resolution to the Cambridge Legislative Delegation in the House and Senate as well as to the House and Senate Joint Committee on Transportation on behalf of the entire City Council.

COUNCILLOR TOOMEY

WHEREAS: The Volpe Transportation site presents a unique opportunity for the City of Cambridge and Kendall Square; and  
WHEREAS: The rezoning of the site has proven to be complex for various reasons; and

WHEREAS: Community involvement during the process is important so that residents are in tune with both the vision being presented in the petition as well as the complexities of the process; and

WHEREAS: Abutting neighborhood groups have expressed interest in creating a Volpe Task Force with the City of Cambridge to better understand and provide feedback during the rezoning process; now therefore be it

ORDERED: That the City Manager be and hereby is requested to confer with the Assistant City Manager of Community Development with the intention of organizing a Volpe Task Force made up of representatives from abutting neighborhood groups and Kendall Square residents and businesses and to report back to the City Council.

O-3 Feb 1, 2016

VICE MAYOR MCGOVERN

COUNCILLOR DEVEREUX

WHEREAS: The City of Cambridge and the City Council are always looking for ways to effectively communicate with and inform the community regarding important meetings and events; and

WHEREAS: Many residents either do not have access to, or are not comfortable, using the internet and social media; and

WHEREAS: The Cambridge Public School District uses automated calls to inform public school parents and families of important school and district events, emergencies, and vital information; and

WHEREAS: This service has proved to be valuable and effective; now therefore be it

ORDERED: That the City Manager be and hereby is requested to consult with the Information Technology Department and any other relevant City departments on ways the City of Cambridge can implement such a service with the goal of notifying residents of citywide and neighborhood events and meetings via automated calls or text messages; and be it further

ORDERED: That the City Manager be and hereby is requested to report back to the City Council regarding the possibility of implementing such a system.

COUNCILLOR MAZEN

COUNCILLOR DEVEREUX

WHEREAS: As city populations within the U.S. continue to increase, so does the need for innovative forms of transportation systems; and

WHEREAS: Bike sharing programs in the U.S. have proven to be a cost effective and an environmentally sound form of transportation; and

WHEREAS: The City of Cambridge has seen firsthand how the "Sharing Economy" and our Hubway Bike System can help commuters and visitors to easily and conveniently travel the city; and

WHEREAS: On Jan 7, 2016 Representative Earl Blumenauer (D-OR) and Representative Vern Buchanan (R-FL) introduced the Bike share Transit Act in the U.S. House of Representatives; and

WHEREAS: This legislation would make it easier for federal transit and highway programs to fund bike share systems and related improvements; and

WHEREAS: By clarifying that bike share projects are eligible for federal funds, the Bike share Transit Act will make it easier for communities to create and improve bike share systems; and

RESOLVED: That the City Council go on record in support of The Bike Transit Act; and be it further

RESOLVED: That the City Clerk be and hereby is requested to forward a suitably engrossed copy of this resolution to The U.S. House of Representatives on behalf of the entire City Council.

COUNCILLOR DEVEREUX

COUNCILLOR CARLONE

VICE MAYOR MCGOVERN

WHEREAS: The World Health Organization is convening an emergency session on Feb 1, 2016 to discuss the "explosive spread" of the Zika virus in the Americas and whether to declare a public health emergency; and

WHEREAS: Cambridge has many residents of Central and South American heritage whose loved ones may live in regions affected by the Zika virus; now therefore be it

ORDERED: That the City Manager be and hereby is requested to confer with the Department of Public Health, the Cambridge Health Alliance, local hospitals and the medical community on appropriate strategies for public outreach, education, and support for residents who may be concerned about the Zika virus, and report back to the City Council in a timely manner.

O-6 Feb 1, 2016

VICE MAYOR MCGOVERN

COUNCILLOR DEVEREUX

WHEREAS: The City of Cambridge has an interest in protecting the residents of the City as well as those who work and serve here; and

WHEREAS: A widely documented opioid crisis is affecting the greater Boston area and beyond, including Cambridge; and

WHEREAS: The drug Naloxone, also known as Narcan, is an important tool for first responders in emergency situations involving opioid overdose; and

WHEREAS: Cambridge Police, who are often first on the scene of overdose situations, have expressed an interest in carrying Narcan, but have concerns regarding legal civil liability associated with administering the drug; and

WHEREAS: Two bills; House Bill 3944, An Act relative to substance use, treatment, education and prevention and Senate Bill 2022, An Act relative to substance abuse prevention; are progressing through the Massachusetts State legislature, each presents a variety of initiatives and amendments to law designed to effectively address drug addiction, and each includes the following language: "Any person who, in good faith, attempts to render emergency care by administering naloxone or any other opioid antagonist as defined in section 19B of chapter 94C to a person reasonably believed to be experiencing an opiate-related overdose shall not be liable for acts or omissions, other than gross negligence or willful or wanton misconduct, resulting from the attempt to render this emergency care.;" and

WHEREAS: Both the House and the Senate find the administration of Narcan in emergency situations to be of sufficiently high value such that the same language protecting those administering the drug is included in the language of each bill; and

WHEREAS: Until this language protecting emergency administrators of Narcan is codified, potential legal liability for responders in Cambridge could stand in the way of administering help to those in medical distress caused by opioids; now therefore be it

RESOLVED: That the City Council go on record supporting the expeditious adoption of these two bills so that Massachusetts can protect its first responders and be better prepared to address drug addiction and prevention; and be it further

RESOLVED: That the City Clerk be and hereby is requested to forward a suitably engrossed copy of this resolution to the elected Cambridge delegation in the House and Senate as well as House Speaker Robert DeLeo and Senate President Stanley Rosenberg on behalf of the entire City Council.

COUNCILLOR DEVEREUX

COUNCILLOR CARLONE

COUNCILLOR MAZEN

MAYOR SIMMONS

WHEREAS: Cambridge continually strives to improve its pedestrian infrastructure to encourage people to walk more and drive less, which benefits peoples' health and the environment; and

WHEREAS: Sandwich boards and A-frame signs, while representing helpful tools for businesses seeking to attract new customers, can create obstacles on sidewalks that can make it difficult for pedestrians to maneuver, especially those who are visually impaired or disabled; and

WHEREAS: A proliferation of sandwich boards and A-frame signs can contribute to visual clutter, which may actually defeat their intended purpose as advertising tools; and

WHEREAS: Sandwich boards and A-frame signs can also appear to undermine the stricter regulations that apply to commercial signage on buildings, especially in historic districts such as Harvard Square; and

WHEREAS: An increasing number of applications for sandwich boards and A-frame signs are coming before the Council for approval; and

WHEREAS: The City Council is regularly presented with applications for sandwich boards and A-frame signs that offer too little detail about the intended placement of the sign or the number of other sandwich board and A-frame signs in close proximity, making it difficult for the City Council to properly evaluate whether the sign is appropriate; now therefore be it

ORDERED: That the City Manager be and hereby is requested to confer with appropriate City departments and to report back to the City Council on the current total number and locations of sandwich board and A-frame signs, details on the process and criteria for approval and annual renewal, details on the enforcement of non-compliant and unpermitted signs, whether the annual \$75 fee remains appropriate, whether reasonable design guidelines could be encouraged or required in historic districts, and whether the application process could be improved to include more detail to better inform decision makers.

COUNCILLOR TOOMEY

WHEREAS: The United Nations Climate Change Conference Paris 2015 stated that climate change represents an urgent and potentially irreversible threat to human societies and the planet; and

WHEREAS: The City of Cambridge is a member of Cities for Climate Protection, an international consortium of communities working to reduce the emission of greenhouse gases; and

WHEREAS: Advances in vehicle automation and electric vehicle technologies hold tremendous promise for safer and more efficient vehicles and city streets, and vastly reduced carbon emissions; and

WHEREAS: The U.S. Department of Transportation has opened a Smart City Challenge to encourage mid-sized cities to submit proposals by Feb 4, 2016 on bold ideas to improve lives by making transportation safer, cleaner, easier, and more reliable; and

WHEREAS: Green Cambridge, Inc. has expressed strong and enthusiastic support for the City of Cambridge submitting a

proposal for the U.S. Department of Transportation's Smart City Challenge "Beyond Traffic" grant program; and

WHEREAS: The Grand Junction Railroad connects vital residential and commercial centers in the City of Cambridge, and if used for alternative modes of transportation, has great potential to encourage mode-shift and reduce traffic congestion in East Cambridge, Kendall Square, and Cambridgeport; now therefore be it

ORDERED: That the City Council go on record supporting a grant application by the City of Cambridge to the U.S. Department of Transportation Smart City Challenge, proposing the development of an automated, connected-vehicle transportation system that has the potential to significantly reduce greenhouse gas emissions; and be it further

ORDERED: That the Grand Junction Railroad be considered as the location of a pilot system, and that such a pilot system support and integrate the future Grand Junction Multi-use path.
