

# DRAFT - CAMBRIDGE SPEED ZONE MAP

This map shows existing School Zones, existing Safer Square Zones, and proposed Primarily Local-Access Safety Zones. The map is intended to paint a general picture of where we plan to implement Primarily Local-Access Safety Zones with a speed limit of 20 mph. As we move forward with this process, we may make a small number of changes to the classifications of individual streets.

- Primarily Local-Access Safety Zones (20 mph)
- Safer Square Zones (20 mph)
- School Zones (20 mph)
- State roads (varies)
- Arterial roads (25 mph)
- Short streets and / or private ways (varies)
