**TEXT OF ORDERS**

O-1 Mar 4, 2019

VICE MAYOR DEVEREUX

ORDERED: That the Executive Assistant to the City Council confer with the Dedication Committee to consider a request from Vice Mayor Devereux for a plaque on a bench in Sacramento Field in honor of Mary Jo Clark and her significant contributions to the Agassiz Neighborhood and the Cambridge community as a whole; and be it further

ORDERED: That the City Clerk be and hereby is requested to forward this order to the Dedication Committee for their review and approval.

O-2 Mar 4, 2019

VICE MAYOR DEVEREUX

COUNCILLOR CARLONE

WHEREAS: Garden Street between the intersection with Concord Avenue and the Linnaean Street traffic signal is a heavily traveled corridor, and frequent complaints of motor vehicle speeding arise from this primarily residential area, which borders the Radcliffe Quad; and

WHEREAS: The pedestrian crossings at Garden Street and Shepard Street are particularly problematic, with at least one

recent crash involving a pedestrian and motor vehicle within the crosswalk across Garden Street; and

WHEREAS: Residents have requested traffic-calming measures such as a digital speed sign board, flashing lights at the crosswalk and other safety improvements to create safer conditions on this stretch of road, where the speed limit will soon be lowered to 20 MPH; and

WHEREAS: Residents have suggested relocating the crosswalk to the north side of the Garden Street and Shepard Street intersection; and

WHEREAS: Residents have also noted that compliance with the STOP signs at the nearby intersection of Shepard Street and Walker Street is inconsistent and have suggested adding a raised crossing table there; now therefore be it

ORDERED: That the City Manager be and hereby is requested to confer with the Traffic, Parking and Transportation Department, Community Development Department, and Department of Public Works to provide data on speed and vehicle counts from this section of Garden Street, and identify potential measures to improve its pedestrian and bicycle safety; and be it further

ORDERED: That the City Manager be and hereby is requested to report back to the City Council with data and potential improvements in the near and medium term.

COUNCILLOR KELLEY

WHEREAS: There have been three cyclist fatalities involving large trucks in Boston and Cambridge in just the last 16 months, and 67% of all cyclist fatalities that have occurred in the region over the last 7 years have been caused by large trucks; and

WHEREAS: Such fatalities are largely preventable, and safety measures mandated by the state legislature would have a thorough and meaningful impact across the region; and

WHEREAS: [H.3118/SD.2042](#), An Act to reduce traffic fatalities, submitted by Senator Will Brownsberger, Representative Jonathan Hecht and Representative David Rogers, would:

- Lower the default speed limit on state highways and parkways in thickly settled areas from 30 to 25 MPH
- Mandate that state and state-contracted trucks utilize safety side-guards and additional mirrors to minimize blind spots
- Expand the definition of ‘vulnerable road users’ and set a safe passing distance for these users of at least 3 feet
- Develop a standardized analysis tool for incidents involving pedestrians or cyclists; and

WHEREAS: This bill is strongly supported by the Massachusetts Vision Zero Coalition and many other advocacy groups as a critical step towards making road

conditions safer for the most vulnerable users; now therefore be it  
ORDERED: That the City Council go on record in support of An Act to reduce traffic fatalities ([H.3118/SD.2042](#)); and be it further

ORDERED: That the City Clerk be and hereby is requested to forward suitably engrossed copies of this resolution to the Cambridge Legislative Delegation on behalf of the entire City Council.

COUNCILLOR KELLEY

WHEREAS: Madison Avenue from Columbus Avenue to Whittemore Avenue has seen a reported increase in vehicle traffic, vehicle speeds, and driver carelessness and near collisions; and

WHEREAS: This route has become a popular detour from Alewife Brook Parkway with many navigation applications such as Waze; and

WHEREAS: The City re-constructed the layout in recent years and added bump-outs on Whittemore Avenue, but problems have since persisted; now therefore be it

ORDERED: That the City Manager be and hereby is requested to confer with the Traffic, Parking, and Transportation Department on how these traffic safety concerns may be addressed, to include working with navigation applications and to report back to the City Council on this issue.

O-5 Mar 4, 2019

COUNCILLOR TOOMEY

WHEREAS: Since early 2018, Gore Street has been experiencing major water, gas, and sewer main construction; and

WHEREAS: The construction is currently behind schedule and a significant amount of time has passed since the last community engagement meeting; now therefore be it

ORDERED: That the City Manager be and hereby is requested to consult with the Department of Public Works, DivcoWest, and Eversource to schedule a community engagement meeting as soon as possible to provide the residents and the abutters of Gore Street with an update on the construction timeline and the estimated construction completion.

VICE MAYOR DEVEREUX

COUNCILLOR MALLON

COUNCILLOR CARLONE

COUNCILLOR ZONDERVAN

WHEREAS: The Transportation and Public Utilities Committee held a public hearing to discuss the MBTA's newly released Better Bus Project proposals on Feb 26, 2019; and

WHEREAS: Significant alterations are proposed for bus routes 1, CT1, 47, 64, 70/70A, 72, 74, 75 and 350, all of

which have a direct and/or indirect effect on Cambridge's riders; and

WHEREAS: Members of the Committee and of the public expressed doubt over whether these proposals truly represent an improvement in bus service for individuals traveling in and through Cambridge and surrounding cities and towns; and

WHEREAS: Concerns raised at the hearing include the anticipated longer walk times due to eliminated stops, longer wait times due to the consolidation of certain bus lines, unfair impacts on students using MBTA buses to get to and from school, and unfair impacts on senior citizens and others traveling at off-peak times, among other major issues with the proposals; and

WHEREAS: It is impossible to accurately assess the extent of these impacts without sufficient schedule change data, which the MBTA has not yet provided; and

WHEREAS: The information that has been released by the MBTA has led many to conclude that these changes have the potential to decrease bus ridership and worsen service for current riders; now therefore be it

ORDERED: That the City Manager be and hereby is requested to work with the City Clerk and Community Development Department to release the report from the Feb 26, 2019 Transportation and Public Utilities Committee hearing to the MBTA as soon as possible, in order to provide the City Council's feedback on the MBTA Better Bus Project proposals; and be it further

ORDERED: That the City Manager be and hereby is requested to work with the Community Development Department to reach out to neighborhood organizations in the affected areas of the City so that more feedback can be gathered from community members and relayed to the MBTA; and be it further

ORDERED: That the City Clerk be and hereby is requested to forward copies of the Feb 26, 2019 committee report to the Cambridge Legislative Delegation.

COUNCILLOR SIDDIQUI

MAYOR MCGOVERN

WHEREAS: Massachusetts state condominium law (General Laws Chapter 183A) allows cities and towns to adopt local ordinances and bylaws that regulate condominium conversion more strongly than the statewide law; and

WHEREAS: Cambridge has not yet adopted a local condo ordinance under the authority of the statewide condo law; and

WHEREAS: While an attempt was made in the year 2000 to pass a local ordinance, it did not obtain the necessary 2/3rds vote of the Cambridge City Council; and

WHEREAS: Condo conversion regulations in Cambridge remain unchanged from those under the statewide law; and

WHEREAS: The City of Cambridge 2016 Housing Profile report states that 600 units were converted to condominiums between 2010 and 2015 and the median price for a condominium was \$612,000 in 2015; the report further found that median prices for one, two, and three family homes were each over \$1 million in 2015; and

WHEREAS: The 2019 Mayor's Blue Ribbon Task Force on Tenant Displacement is analyzing the impact of condo conversions on displacement in Cambridge and investigating methods for strengthening protections for tenants; and

WHEREAS: A response to the following questions would be helpful in informing this process:

- Between the year 2015 and the present date, how many rental units have been removed from the market and converted to condominium units?
- What year has seen the highest number of condominium conversions?
- How many converted properties were delivered partially or completely vacant?
- What are the property sizes of the units that have been converted?
- What are the median annual condominium sales prices by bedroom count from 2015 to the present date?

WHEREAS: The market may change at any time and understanding such trends will be instructive; now therefore be it

ORDERED: That the City Manager be and hereby is requested to instruct the Assessor's Office to provide the above data, and report back to the Mayor's Blue Ribbon Task Force on Tenant Displacement with sufficient time for it to review the information prior to the date of its next meeting, Tues, Mar 19, 2019.

COUNCILLOR MALLON  
VICE MAYOR DEVEREUX  
COUNCILLOR SIMMONS  
COUNCILLOR SIDDIQUI

WHEREAS: On the morning of Sept 16, 2016, Laura Levis arrived at the Somerville branch of the Cambridge Health Alliance hospital after the symptoms of her asthma attack began to be debilitating; and

WHEREAS: After finding the doors to the Emergency Room ambulance bay locked and unable to make it to another door, Ms. Levis called 911 to inform the hospital of her location and seek emergency help; and

WHEREAS: The events that transpired that morning, both prior to and after Ms. Levis placing a 911 emergency call, help illustrate critical failures in our 911 communications systems and the policies and procedures of the Cambridge Health Alliance, including: a failure to pinpoint Ms. Levis's accurate location, failure in hospital signage and wayfinding which would have directed Ms. Levis to the proper entrance,

an unmanned security desk, failure to conduct a proper search of surround hospital grounds, and a breakdown in the communications chain between local law enforcement and the hospital that cost Ms. Levis critical minutes and ultimately, her life; and

WHEREAS: Because the Cambridge Health Alliance is a public hospital and has a State-mandated cap imposed on a settlement that could result from a medical malpractice lawsuit, the potential settlement amount does not even cover the expenses that Ms. Levis's husband, Peter DeMarco, would incur by seeking legal action, essentially barring Mr. DeMarco from taking legal action against Cambridge Health Alliance; and

WHEREAS: During a hearing of the Human Services and Veterans Committee investigating the death of Ms. Levis, Mr. DeMarco informed the committee of two bills in the State Legislature that would serve to remedy both the communication and policy failures of the hospital, and the State-mandated cap on compensation; now therefore be it

RESOLVED: That the City Council go on record supporting H1850: *An act ensuring safe patient access to emergency care and H1346: An act removing the liability cap for malpractice resulting in serious injury or death*, which have been filed by Representative Christine Barber (D – Somerville, Medford) for this upcoming legislative session; and be it further

RESOLVED: That the City Clerk be and hereby is requested to forward a suitably engrossed copy of this resolution to The Cambridge Health Alliance, Representative John Mahoney and Senator Joanne Comerford, Chairs of the Joint Committee on Public Health, Representative Claire Cronin and Senator James Eldridge, Chairs of the Joint Committee on The Judiciary, and the Cambridge Legislative Delegation on behalf of the entire City Council.
