- (c) Temporary Absence - During a temporary absence of the chair, the duties of the chair shall be performed by the vice-chair. If there shall be neither a chair or a vice-chair, the member of the school committee senior in length of consecutive service shall perform the duties of the chair until there is no longer an absence.
- (d) Permanent Vacancy - If there is a permanent vacancy in the office of chair or vice-chair, the school committee shall elect by majority vote one of its members to fill such office for the unexpired term. The member of the school committee senior in length of consecutive service shall perform the duties of chair or vice-chair until members elect a new chair or a vice-chair.

No ordinance increasing the salary of the elected members of the school committee shall be effective unless it has been adopted during the first eighteen (18) months of the term for which elected school committee members are elected and unless it provides that the salary increase is to take effect upon the organization of the city government following the next regular city election.

- (b) Expenses - Subject to appropriation, the school committee members shall be entitled to reimbursement of their actual and necessary expenses in the performance of their duties. The actual and necessary expenses shall be defined in the rules and regulations of the school committee

- (f) If the candidate is eligible and willing to serve, the city clerk shall administer the oath of office to the person within fifteen (15) days after certification and the person shall serve.
- (g) If the candidate who is eligible declines the office, is not eligible and willing to serve, is no longer eligible for office, or fails to take the oath of office within the time period set forth in this section, then the vacancy recount process under this section shall continue until the next candidate who is eligible and willing to serve is declared elected to the vacant seat.
- (h) In the event where no regularly nominated candidate remains who is eligible and/or willing to serve, the vacancy shall be filled for the unexpired term by a majority vote of the remaining members of the body with a vacancy. If the remaining members fail to fill such a vacancy within thirty days after, the vacancy shall be filled by the appointment by the mayor of any qualified voter of the city, after an advertising period for interested candidates.

The petition shall be addressed to the city council or the school committee, shall contain a request for the passage of a particular measure which shall be set forth in full in the petition, and shall be physically signed by a number of voters which is equal to 5% percent of the total number of registered voters as of the date of the most recent city election. The petition shall be accompanied by an affidavit signed by ten (10) voters and containing their residential addresses stating they will constitute the petitioners committee and be responsible for circulating the petition and filing it in proper form. Voters will be required to provide the number and street of their residence along with their signature on the form. Signatures to an initiative petition need not all be on one (1) paper. The Elections Department shall have fourteen days (14) from the last day of submission to certify the voter signatures. If the opinion of the city solicitor is that the measure is not in proper form or may not be lawfully adopted by the city council or the school committee, the reply shall state the reasons for this opinion in full, and a copy of the opinion of the city solicitor shall be mailed to the petitioners committee.

- (c) Action on Petitions: If the opinion of the city solicitor is that the petition is in a proper form and may be lawfully adopted by the city council or the school committee, within sixty (60) days, the city council or the school committee shall act with respect to each initiative petition by passing it without change, by passing a measure which is stated to be in lieu of the initiative measure, or by rejecting it. The passage of a measure which is in lieu of an initiative measure shall be considered to be a rejection of the initiative measure. If the council or school committee fails to act with respect to any initiative measure that is presented to it within sixty (60) days after the date it has been notified by the city solicitor that it is in proper form and may be lawfully adopted by the city council or school committee, the initiative measure shall be considered to have been approved on the sixty-first (61) day. If an initiative measure is rejected, the city clerk shall promptly give notice to the petitioners committee, by certified mail.
- (d) Supplementary Petitions: Thirty (30) days after the date an initiative petition has been rejected by the council or school committee, a supplemental initiative petition may be filed with the Elections Department, but only by persons constituting the original petitioners committee. - (g) Time of Taking Effect: If a majority of the votes cast on the question, or other affirmative percent as required by general laws or this Charter, is in the affirmative and if the 33% percent voter participation requirement is met, the measure shall be deemed to be effective immediately, unless a later date is specified in the measure.

#### SECTION 8-3 REFERENDUM MEASURES

- (a) Commencement: Within twenty (20) days after the final passage of a measure by the city council or the school committee, a proposed referendum petition may be submitted to the Election Department on a form prepared by the City. The petition shall be addressed to the city council or the school committee, shall contain a protest and request for rescission of a particular measure which shall be set forth in full in the petition, and shall be physically signed by a number of voters which is equal to 15% percent of the total number of registered voters as of the date of the most recent city election. The petition shall be accompanied by an affidavit signed by ten (10) voters and containing their residential addresses stating they will constitute the petitioners committee and be responsible for circulating the petition and filing it in proper form. Voters will be required to provide the number and street of their residence along with their signature on the form. Signatures to a referendum petition need not all be on one (1) paper. The Elections Department shall have fourteen days (14) from the last day of submission to certify the voter signatures. If the number of certified voter signatures on the petition equals 15% percent of the total number of registered voters as of the date of the most recent city election, the Board of Election Commissioners shall attach to the petition a certificate showing the results of the Elections Department's examination and shall send the petition to the city clerk.

The city council or school committee shall act with respect to each referendum petition by upholding its passage, passing a measure which is stated to be in lieu of the rescission requested in the referendum petition, or by rescinding the measure. Failure to act within twenty (20) days shall constitute rejection of the referendum petition. If such measure or part thereof is not entirely rescinded within twenty (20) days after the date of submission of the referendum petition and certificate of the Board of Election Commissioners to the city clerk, the Board of Election Commissioners shall submit the same to a vote of the registered voters of the city, at the next regular municipal election not less than ninety days after said twentieth day.
- (c) Form of Question: The ballots used when voting on a measure proposed by the voters under this section shall contain a question in substantially the following form:  
 Shall the following measure, which was protested against by a referendum petition as described in the city charter, be rescinded and not take effect? (Here, insert a fair, concise summary prepared by the city solicitor.)  
 YES \_\_\_\_\_ NO \_\_\_\_\_
- (d) Required Voter Participation: For any measure to be effective under referendum petition, at least 33% percent of the registered voters as of the date of the most recent city election shall vote at the election upon which an initiative is submitted to the voters.
- (e) Time of Taking Effect: If a majority of the votes cast on the question, or other affirmative percent as required by general laws or this Charter, is in the affirmative and if the 33% percent voter participation requirement is met, the measure shall be deemed rescinded and void effective immediately, unless a later date is specified in the measure.
