To the Honorable, the City Council:

Please find attached an order requesting the appropriation and authorization to borrow \$500,000 to provide funds for the City's Climate Change Program to improve protection against flooding and extreme heat.

This order is being submitted prior to the Finance Committee hearing on the FY27 Public Investment Budget which is scheduled for May 12, 2026 to allow the City Council to vote on this order on June 1, 2026 which is the projected date for City Council adoption of the FY27 Budget. Approval of loan orders on budget adoption night has been the practice for several years.

If passed to a second reading on April 27, 2026, the City will comply with all legal requirements so that the order may be adopted on June 1, 2026. Please see the Public Investment Section in the FY27 Submitted Budget for additional information on this project.

Very truly yours,

Yi-An Huang
