IN CITY COUNCIL
June 1, 2026

To the honorable, the City Council:

I am hereby requesting the appropriation of a grant in the amount of \$65,000 received from the Harvard Business School Leadership Fellows Program to the Grant Fund Executive Salaries and Wages account.

Harvard Business School's Leadership Fellows Program supports graduating MBA students in high-impact positions in nonprofit and public sector organizations.

Launched in 2001, the Leadership Fellows program focuses on two key objectives:

- Providing social-sector organizations with access to analytic and strategic talent to deliver high-impact results.
- Encouraging emerging leaders to develop an appreciation for and understanding of the complexities of leading in the social sector.

The City has used leadership fellows to provide professional support and analysis on strategically important and high priority initiatives.

Very truly yours,

Yi-An Huang
City Manager
