CMA 2026-181
IN CITY COUNCIL
June 8, 2026

To the Honorable, the City Council:

As the end of the fiscal year approaches, some necessary transfers will be needed to maintain appropriation control as part of the fiscal end-of-year closeout process. These transfers involve funding departmental salary and wage accounts from the salary adjustment budget account. The funding for the salary adjustment budget account was approved in the FY26 Adopted Budget. The City Council annually has authorized the City Manager to make necessary transfers from available budget balances for the orderly closure of the fiscal year.

I am requesting passage of this order to permit the same activity to occur this year.

Very truly yours,

Yi-An Huang
City Manager
