June 12, 2023

To the Honorable, the City Council:

In response to Policy Order 2023 #81, which directed City staff to recommend what new city regulations and council action or changes to existing regulations or ordinances are needed to put in place in order to implement the Craig Kelley et al. Zoning Petition for residential car sharing and renting of EV charging stations, please find the attached responses from Assistant City Manager for Community Development Iram Farooq and City Solicitor Nancy Glowa.

Very truly yours,

Yi-An Huang
City Manager
