#### TEXT OF ORDERS

O-1 Aug 1, 2022

COUNCILLOR MCGOVERN

WHEREAS: Over 100 million animals are killed annually for their fur; and

WHEREAS: These animals are bred and confined and forced to live in cramped, wire bottom cages and deprived of the ability to engage in natural behaviors; and

WHEREAS: Egregious animal cruelty is the norm in the fur industry. Animals are killed in inhumane ways such as crude gassing or anal electrocution; and

WHEREAS: There are no federal laws or animal welfare standards to protect animals on fur farms leading to immense suffering; and

WHEREAS: The fur trade poses serious risks to public health, for example, in wildlife markets in China, foxes and raccoon dogs were found to have been infected with the SARS coronaviruses and on US and European fur farms, mink tested positive for the virus that causes COVID19, resulting in the death of over 5 million mink and the Dutch government said it is "very likely" that the farmed mink spread the virus to humans; and

WHEREAS: The fur industry also poses serious environmental threats. On fur farms, waste runoff from animals pollutes the soil and waterways and the tanning and dying process uses toxic and carcinogenic chemicals like chromium and formaldehyde to prevent the skin from decaying; and

WHEREAS: Banning fur sales eliminates the demand for cruel products and ensures that humane minded consumers can shop with confidence; and

WHEREAS: Cambridge, currently does not have stores that sell fur, but nothing in our municipal code would prevent fur shops or sales; and

WHEREAS: Communities in Massachusetts including, Plymouth, Brookline, Weston, and Wellesley have passed local ordinances to prevent this cruel industry from operating in their municipalities; now therefore be it

ORDERED: That the Ordinance Committee of the Cambridge City Council meet to amend the Cambridge Municipal Code by adding a chapter numbered 6.24, titled Sale of Fur Apparel Products.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CAMBRIDGE *That the Municipal Code of the City of Cambridge, Massachusetts, is hereby amended by adding a chapter, to be numbered Chapter 6.24, which said Chapter reads as follows:*

## **Chapter 6.24 Sale of Fur Apparel Products.**

### **6.24.010 – Council Findings**

- (a) The City Council finds that animals that are slaughtered for their fur endure tremendous suffering. Animals raised on fur farms typically spend their entire lives in cramped and filthy cages. Fur farmers typically use the cheapest killing methods available, including suffocation, electrocution, gas and poison.
- (b) The City Council finds that fur farms are reservoirs and transmission vectors for dangerous zoonotic diseases, including SARS coronaviruses, that threaten public health, including in the City of Cambridge. COVID-19 infections have been confirmed at fur farms in Europe and the United States, and scientific studies have linked mink, raccoon dogs, and foxes – the animals most commonly farmed for their fur – to a variety of coronaviruses.
- (c) The City Council finds that the fur production process is energy intensive and has a significant environmental impact, including air and water pollution. Runoff from the fur production process contains high concentrations of phosphorus and nitrogen, which are the most common forms of water pollution in the United States. In addition, the tanning and dying processes used in fur production use toxic chemicals and heavy metals like chromium and formaldehyde.
- (d) Considering the wide array of alternatives for fashion and apparel, the City Council finds that the demand for fur products does not justify the unnecessary killing and cruel treatment of animals, harm to the environment, and the public health risks to the people of the City of Cambridge caused by these practices.
- (e) The City Council believes that eliminating the sale of fur products in the City of Cambridge will decrease demand for these cruel and environmentally harmful products and promote community awareness of animal welfare and, in turn, will foster a more humane environment in the City of Cambridge and enhance the reputation of the City.

### **6.24.020 - Definitions**

The following definitions shall apply in this section:

- (a) *Fur* shall mean any animal skin or part thereof with hair, fleece, or fur fibers attached thereto, either in its raw or processed state.
- (b) *Fur product* shall mean any article of clothing or covering for any part of the body, or any fashion accessory, including but not limited to handbags, shoes, slippers, hats, earmuffs, scarves, shawls, gloves, jewelry, keychains, toys or trinkets, and home accessories and décor, that is made in whole or part of fur. “Fur product” does not include any of the following:
  - (1) An animal skin or part thereof that is to be converted into leather, or which in processing will have the hair, fleece, or fur fiber completely removed;
  - (2) Cowhide with the hair attached thereto;
  - (3) Deerskin with the hair attached thereto;
  - (4) Lambskin or sheepskin with the fleece attached thereto; or
  - (5) The pelt or skin of any animal that is preserved through taxidermy or for the purpose of taxidermy.
- (c) *Non-profit organization* shall mean any corporation that is organized under 26 U.S.C. Section 501(c)(3) that is created for charitable, religious, philanthropic, educational or similar purposes.
- (d) *Taxidermy* shall mean the practice of preparing and preserving the skin of an animal that is deceased and stuffing and mounting it in lifelike form.
- (e) *Ultimate consumer* shall mean an individual who buys a fur product for their own use, or for the use of another, but not for resale or trade.

(f) *Used fur product* shall mean a fur product that has been worn or used by an ultimate consumer.

### **6.24.030 – Prohibition**

No person shall sell, offer for sale, display for sale, trade, or otherwise distribute for monetary or nonmonetary consideration a fur product within the City of Cambridge. For purposes of this section, the sale of a fur product shall be deemed to occur in the City of Cambridge if:

- (1) The buyer takes physical possession of the fur product in the city; or
- (2) The seller is located in the city.

### **6.24.040 - Exemptions**

This Chapter shall not apply to the sale, offer for sale, displaying for sale, trade, or distribution of:

- (1) A used fur product by an individual (excluding a retail transaction), non-profit organization, or second-hand store, including a pawn shop;
- (2) A fur product required for use in the practice of a religion;
- (3) A fur product used for traditional tribal, cultural, or spiritual purposes by a member of a federally recognized Native American tribe; or
- (4) A fur product where the activity is expressly authorized by federal or state law.

### **6.24.050 – Penalty**

Any person who violates this Chapter shall be subject to a fine not exceeding three hundred dollars. As an alternative penalty, any person who violates this Chapter may be penalized by a noncriminal disposition as provided in General Laws Chapter 40, Section 21D. Each act of violation and every day upon which any such violation shall occur shall constitute a separate offense. Each fur product involved in a violation of this Chapter shall constitute a separate act of violation.

### **6.24.060 – Severability of Sections**

It is declared to be the intention of the City Council that the sections, paragraphs, sentences, clauses and words of this Chapter are severable and if any word, clause, sentence, paragraph or section of this Chapter shall be declared unconstitutional or invalid by the judgment or decree of any court of competent jurisdiction, such unconstitutionality or invalidity shall not affect any of the remaining words, clauses, sentences, paragraphs and sections of this Chapter since the same would have been enacted by the city council without the incorporation in this code of any such unconstitutional or invalid word, clause, sentence, paragraph or section.

### **6.24.070 – Effective Date**

This ordinance shall take effect following approval of the Attorney General and compliance with the provisions of G.L. c.40, § 32, and no earlier than January 1, 2023.

- 70% more weekend service
- 275,000 more residents would be near high-frequency service (buses running every 15 minutes or better, 5 AM – 1 AM, seven days a week)
- 115,000 residents of color and 40,000 low-income households would gain access to high-frequency service; and

WHEREAS: These changes will impact routes that operate within the City of Cambridge, as was discussed during a recent Transportation and Public Utilities Committee hearing; and

WHEREAS: Cambridge will see several positive changes with the redesign, including five new high-frequency routes, among them:

- Kendall to Lechmere, Charlestown, East Somerville, Medford
- Central to Longwood Medical Area, Jamaica Plain
- Kendall and Central to Watertown and Waltham

WHEREAS: The redesign also adds more service in Central Square while reducing the need for buses to wait (layover) in the neighborhood; and

WHEREAS: The changes outlined in the redesign also brought on a lot of concern from community members and city staff:

- Reduced service on Concord Avenue in the Alewife Quadrangle
  - o Where a significant amount of affordable residential development has recently been constructed
  - o We expect more residential and commercial development in the near term
- Reduction of service on Broadway, proposed to be peak only
- Elimination of all routes from East Cambridge to Somerville (80, 87, 88)

• Change of Route 83 from Central to Kendall; now therefore be it

ORDERED: That the City Council go on record in support of more bus service in the Alewife region as well as in East Cambridge; and be it further

ORDERED: That the City Clerk be and hereby is requested to forward a suitably engrossed copy of this resolution to representatives at the Massachusetts Bay Transportation Authority (MBTA) on behalf of the entire City Council.

WHEREAS: In recent years, the City has established new measures, such as issuing key fobs to City employees and stationing a Cambridge Police Officer inside City Hall to greet visitors, to better ensure the safety of City employees and members of the public who utilize the City's public buildings; and

WHEREAS: One additional measure that the City should consider is the establishment of photo ID badges for City employees to carry with them as they move about City buildings, as these would offer an additional level of assurance that those who are inside our public spaces can be easily identified as City employees and can more easily be of assistance when approached by members of the public; and

WHEREAS: This simple measure, which is the standard practice in a number of other municipalities and organizations, would add a new layer of safety for all those who utilize our public buildings; now therefore be it

ORDERED: That the City Manager be and hereby is requested to direct the appropriate City to determine how and when such a City Employee ID badge program can be implemented, and to report back to the City Council on this matter in a timely manner.

WHEREAS: In recent years, a variety of factors – including but not limited to the Covid-19 pandemic, the related economic turbulence, healthcare disparities, ongoing gang activity and violence, the persistence of an Achievement Gap in our public schools, and a lack of opportunities for family-sustaining employment – has had a disproportionately negative impact upon Cambridge's African American/Black community; and

WHEREAS: A number of organizations have arisen in the hopes of addressing these issues, a number of individuals have stepped forward to offer their assistance and support, but a truly comprehensive, holistic, City-led effort is still needed to better understand precisely how all these different factors are combining to impact our local African American/Black community; and

WHEREAS: Only once the City has truly gained a firm grasp on the status and the needs of this community can we begin to develop and implement the programs, strategies, and initiatives necessary to lift up and improve the lives of our local African American/Black population; now therefore be it

**ORDERED:** That the City Manager be and hereby is requested to direct the appropriate City staff to establish a Task Force To Examine the Status and Wellbeing of the City's African American/Black Population, to recruit members of this taskforce from within and throughout the Cambridge community, to establish a clear mission statement and timeline for the work of this task force, and to report back to the City Council on this matter in a timely manner.

**WHEREAS:** Despite an extensive history of important contributions to Cambridge and to the world, significant inequities have effectively limited the advancement of Black Cantabrigians since the late 1630's; and

**WHEREAS:** Cambridge has taken tremendous strides to improve quality of life and access to resources for all, but Black Cantabrigians remain severely impacted by historic and present day inequities that have plagued the city; and

**WHEREAS:** 80% of Black households are renters, and just 6% of the owner-occupied housing units in the city are owned by Black residents (while 79% are owned by white residents); and

**WHEREAS:** Racial and ethnic opportunity gaps persist for the more than 1600 Black students in the Cambridge Public Schools, including substantially lower benchmark MCAS scores at nearly every level in comparison with their white peers; and

**WHEREAS:** Nearly one-third of Black households with children are headed by a single adult, substantially more than any other group; and

**WHEREAS:** 80% of Cambridge adults hold at least a Bachelor's Degree and more than 60% hold a Master's Degree or higher, yet just 33% of Black Cantabrigians hold these degrees; and

**WHEREAS:** Disparities in education credentials translate to a striking gap in access to the city's innovation economy, and less than 5% of Black Cantabrigians work in the innovation economy; and

**WHEREAS:** Black Male Cantabrigians continue to face discrimination and the disproportionate impacts of violence including a disproportionate number of Black males directly impacted by gang violence, gun violence, and incarceration; and

**WHEREAS:** There is urgent need for a holistic focus on the status of Black men and boys in Cambridge, building on the important work of the Men of Color Task Force, the Men of Color Health Initiative, and the Men's Health League; and

**WHEREAS:** A Commission on the Status of Black Men and Boys would examine every aspect of our government and our city and make policy recommendations to the City Manager and City Council on how to address these injustices and better meet the needs of Black Men and Boys living in Cambridge; and

**WHEREAS:** Areas of focus for the Commission should include (but not be limited to) housing, economic opportunity, education, out of school time, gang and gun violence, incarceration, environmental justice, food justice, healthcare, public health outcomes, internet access, and mental health; and

**WHEREAS:** The Commission should include (but not be limited to) representation from the following areas: Black community leaders and activists, high school and college youth, faith leaders, educators, caregivers, tenants of subsidized housing, institutional leaders, members of the small business community; now therefore be it

**ORDERED:** That the City Manager be and hereby is requested to establish a Commission on the Status of Black Men and Boys during the FY23 budget year, based on the attached proposal; and be it further

**ORDERED:** That the City Manager be and hereby is requested to report back to the City Council as soon as possible on this matter.

**WHEREAS:** The city-owned property at 105 Windsor Street has a more than 200 year history of being used for active community purposes including as a school, a recreation center, a health clinic, a veterans hall, a branch library, and for elder care; and

**WHEREAS:** The city's proposal to renovate this historic building is an important opportunity to address some of the unique and long-unmet needs of the Port neighborhood; and

**WHEREAS:** The design process should be guided by an inclusive, city-led community process to hear from as many diverse voices as possible in an effort to build consensus; and

**WHEREAS:** Such a city-led community process should engage a wide range of stakeholders including (but not limited to) residents of affordable housing, all residents of The Port, Margaret Fuller House, Community Art Center, Cambridge Health Alliance, Cambridge Housing Authority, local small businesses, faith communities, Fletcher-Maynard Academy community, Cambridge NAACP, My Brother's Keeper, The Black Response, and the Port Organizing Group; and

**WHEREAS:** The newly-acquired building located at 689 Mass Ave is proposed to be used for city offices without any input from the community, and a similar outcome must be avoided at 105 Windsor Street; now therefore be it

ORDERED: That the City Manager be and hereby is requested to work with the appropriate departments to begin a thorough and open community process that will determine the future use of 105 Windsor Street, including (but not limited to) a series of events, some offered virtually and some in person at key neighborhood sites like the Community Art Center and the Pisani Center in an effort to engage as many diverse voices as possible and build consensus; and be it further

ORDERED: That the City Manager be and hereby is requested to report back to the Council on the nature and timeline of the planned community process as soon as possible and ahead of commencing the outreach.

WHEREAS: It has come to the attention of the City Council that there has once again been a traumatic crash at the intersection of Cardinal Medeiros Avenue, Binney Street, and Bristol Street a couple of weeks ago; and

WHEREAS: This intersection has long been dangerous, with near misses almost every day, particularly because Bristol Street is often used as a cut-through by drivers, visibility for drivers to anticipate cross traffic is extremely poor, and this section of Cardinal Medeiros is straight and induces speeding by drivers who are often lacking intimate knowledge of the particular hazards; and

WHEREAS: Most of the recent crashes at the intersection have involved cars turning from Bristol Street or Binney Street onto Cardinal Medeiros Avenue or attempting to cross Cardinal Medeiros Avenue to go straight on Binney Street; and

WHEREAS: Limiting cut-through traffic on Bristol Street would improve traffic safety at the intersection while creating additional opportunities for recreation, pedestrian and bicycle access, and safe outdoor dining at Vincent's; and

WHEREAS: Other ways to improve safety at the intersection include installing on Cardinal Medeiros Avenue a push button crosswalk with flashing lights to slow down speeding drivers, or sensor triggered flashing lights to alert drivers to cross traffic, and/or an automated speed detection sign alerting drivers to excess speed and asking them to slow down, or full-intersection traffic controls (lights or 4-way stop) to regulate traffic flow and reduce speeding; and

WHEREAS: The City Council already passed a [policy order](#) about this intersection on June 14, 2021; now therefore be it

ORDERED: That the City Manager be and hereby is requested to work with the Traffic & Parking Department to take immediate action and make safety improvements to the intersection of Cardinal Medeiros Avenue, Binney Street, and Bristol Street, and to implement longer term changes as soon as possible; and be it further

WHEREAS: The Commonwealth of Massachusetts, over the last three months, has gone from 0% of the state being in any drought condition to [100% being categorized by the national monitoring entity as abnormally dry](#), as measured by the national drought monitoring agency and on July 21 the Commonwealth's Drought Management Task Force categorized one-third of Massachusetts including all of Cambridge's watershed as [Level 3, Critical Drought conditions](#); and

WHEREAS: In the past the City Council has asked the city administration for a more comprehensive and effective response to drought conditions, based on past instances in 2016 and 2020 when the city's projections were inaccurate and led to much later water restrictions than nearby towns; and

WHEREAS: The City Council has urged for more public communication about conserving water, and asked for long-term projections of water use as a result of changing climate conditions; and

WHEREAS: Development continues to add residents and work spaces that increase the city's water consumption, which without conservation efforts may lead to ongoing future issues with our long term water supply; and

WHEREAS: Notwithstanding the need to conserve water, there has been a decline in our tree canopy which has environmental justice implications and future public health consequences, which has prompted the city to plant thousands of trees the last few years, which are at risk during the current drought and need watering on a consistent basis; and

WHEREAS: The City Council wants the City to be prepared in the case of the current dry conditions worsening and in the long term; now therefore be it

ORDERED: That the City Manager be and is hereby requested to consult with the Water Department and report back to the City Council by the end of the month on the status of the long term water projections promised a year ago and on what measures could be taken to conserve water including potential bans on unnecessary

waterings, and plans for monitoring the situation, for robust communication on conserving water and for instituting water savings measures, and to inform the Water Board of this request; and be it further

ORDERED: That the City Manager be and is hereby requested to work with all relevant departments of the city on how best to ensure that trees throughout the city received adequate water to survive current conditions, and include consulting with neighborhood groups and youth groups on how to mobilize volunteers, and utilizing all communication vehicles available to the city for requesting volunteer help from residents in this emerging crisis; and further be it
