Subject: Citizens Petition

Ms. Glowa,

I am writing to find out the status of the citizens' petition signed by 97 registered voters living on or near Brattle Street.

As written in the city's traffic regulations, the Traffic Board should hold a public hearing on the petition. Further, as written in the city's regulations, no work on the Brattle Street project is to proceed until after the traffic board has held its hearing and has reached a decision.

Please advise when the traffic board is to convene. Thank you.
