RE: Council Order 16 of April 4, 2016 – Develop a timeline for implementation of non-zoning recommendations submitted by the Central Square Advisory Committee

DATE: June 22, 2016

The 2011-2012 discussions at the Central Square portion of the K2C2 Study, the Central Square Advisory Committee (C2 Committee), resulted in a series of zoning and non-zoning recommendations. Collectively, the recommendations were designed to achieve the vision and goals set forth by the C2 Committee and the preceding Red Ribbon Commission on the Delights and Concerns of Central Square.

The non-zoning recommendations, listed below, were intended to be implemented through a combination of the work programs of relevant City departments partnering with the Central Square Business Association (CSBA), local businesses and residents over several years, along with the implementation of required improvements as part of new development within the study area. Based on scope and complexity, they span the range from short to long term actions. Since the last report on the status of these recommendations in 2013, work on a number of the non-zoning recommendations has been initiated and some are now complete. While some of the remaining recommendations are fairly straightforward, others require a set of actions and agreements to take place among multiple parties.

As part of the implementation of the non-zoning recommendations, the charge of the standing Central Square Advisory Committee, (as constituted under Section 20.304.1 of the Cambridge Zoning Ordinance) has been expanded to that the C2 Committee has been given the role of working with the City to review and discuss the appropriate direction of contemplated actions. The targeted actions and associated timeframes for addressing each issue are detailed in the attached charts.

COMPLETED WORK

PUBLIC SPACE	
CATEGORY/ISSUE	RECOMMENDATION/STATUS
<p>1. Improve existing public spaces through enhanced programming, improved adjacent uses, and physical improvements, if needed.</p>	<p><i>University Park Commons</i> Over the past few years, there has been an increase in public access and enjoyment of this privately owned/publically beneficial open space through such means as removing perimeter fencing, adding programming for children, and continuing to host public and neighborhood events, including a significant role in the staging of the 2015 Cambridge River Festival.</p> <p>Improved wayfinding and signage to connect it to Mass Ave. is continuing to be part of the goals for both Forest City and the Central Square Business Association.</p>
<p>2. Create new outdoor public spaces in conjunction with (re)development</p>	<p><i>Small plazas/pocket parks</i></p> <p>a) A small plaza was established in 2014 at the edge of Parking Lot 5 as part of the HMart renovations.</p> <p>b) Renovations were completed in 2015 on the small plaza at Bishop Allen and Main, including new artwork/seating that adds important elements of comfort, whimsy and place to this corner.</p> <p>c) As part of the recently completed Novartis development, a publicly accessible courtyard was completed and is open to the public during work hours.</p> <p><i>Western Avenue/ River Street improvements</i></p> <p>Completed planned improvements to Western Avenue/River Street park spaces, for coherence and usability</p>
TRAFFIC AND TRANSPORTATION - GENERAL	
CATEGORY/ISSUE	RECOMMENDATION/STATUS
<p>Transit</p>	<p>Partly as a result of the K2C2 study, in 2013 the City established the Cambridge Transit Advisory Committee (TAC) to advance public transit improvement in Cambridge. The TAC has monthly meetings to discuss and advance public transit in Cambridge and has completed several projects that were recommended or guided by the C2 Study.</p> <p>a. Central Square Access and Circulation Study http://www.cambridgema.gov/~media/Files/CDD/Transportation/transitcommittee/2014/CentrSqBusAccCircStudy.pdf?la=en</p> <p>b. Cambridge Bus Service Analysis (Routes 1, 69, 73, and 77). http://www.cambridgema.gov/~media/Files/CDD/Transportation/transitcommittee/2014/Report Cambridge Service Analysis 20140910.pdf?la=en</p>

	<p>c. Completed a Cambridge Transit Strategic Plan http://www.cambridgema.gov/~media/Files/CDD/Transportation/Transit/TransitStrategicPlan_2015.pdf?la=en</p> <p>The City has installed real-time transit screens in the window of the Cambridge Senior Center (across the Street from City Hall) and at Cambridge City Hall.</p>
Support non-auto modes of transportation	In July 2014, the City added 30 covered bicycle parking spaces within the Green Street Municipal Garage and signs outside the garage to advertise the free public bicycle parking spaces. This improvement helped address the C2 recommendation to improve bicycle infrastructure and signage.
Non-MBTA transit	The City has made Harvard/MASCO M2 shuttle bus tickets available for sale at City Hall to provide more convenient access to the public. The shuttle bus operates between Harvard Square, Central Square, MIT and the Longwood Medical Area
TRAFFIC AND TRANSPORTATION - LOCATION SPECIFIC	
CATEGORY/ISSUE	RECOMMENDATION/STATUS
Pleasant@Western: <i>This feels like a hazardous crosswalk, seems safer to jaywalk mid-block.</i>	Created improvements through Western Ave planning process
Temple Street: <i>Pedestrian crosswalk east of Temple Street is difficult to see at night.</i>	Completed LED conversion as part of the lighting plan for Central Square.
Green Street @ River & Western: Awkward pedestrian crossing of River and Western on south side of intersection.	Changed signals, in combination with infrastructure changes, to improve this intersection for pedestrians.
Western Avenue @ Franklin Street: <i>Lack of crosswalk on southern leg of Western Avenue at Franklin Street.</i>	New crosswalk was added as part of the City's Western Avenue reconstruction project.
Main Street & Front Street & Windsor Street: <i>Windsor Street sidewalk is narrow</i>	Walkability of Windsor Street improved with completion of Novartis project.
Albany Street & Portland Street: <i>The intersection is awkward for all users and has a poor connection to the railroad crossing to Vassar Street.</i>	New design was implemented as part of the 610-650 Main Street development project.

Blanche St: <i>Unattractive pedestrian environment</i>	Blanche Street, between Mass. Avenue and Green Street, was reconstructed into a shared street to improve the character of the street for all modes including, pedestrian, bicyclists, vehicles and loading operations.
--	--

WORK IN PROGRESS

PUBLIC SPACE		
CATEGORY/ISSUE	RECOMMENDATION/STATUS	SCHEDULE (SHORT, MEDIUM, LONG-TERM, ON-GOING)
1. Improve existing public spaces through enhanced programming, improved adjacent uses, and physical improvements, if needed.	<p><i>Carl Barron Plaza:</i> The upcoming renovation of River Street (FY19 Design/FY20 Construction) includes the redesign of Carl Barron Plaza in its scope. The goal is to organize the space to better separate circulation from seating, create improved spaces for people to linger, and to accommodate the possibility of programming such as music performances and buskers.</p>	<p>MEDIUM (<i>in process</i>)</p>
	<p><i>Jill Brown-Rhone Park and Lafayette Square:</i> The rezoning process for the Mass&Main project included numerous discussions of the potential positive impacts on Jill Brown-Rhone Park and Lafayette Square, and the expected Special Permit process will provide a significant opportunity to enhance the already important place of this space in the public life of Central Square.</p>	<p>SHORT (<i>in process</i>)</p>
	<p><i>Post Office sidewalk as an extension of City Hall Square:</i> There is potential to make more advantageous use of this area and activate the wide sidewalk space across Massachusetts Avenue, along the Post Office building for public activities, small and large.</p>	<p>MEDIUM (<i>in process</i>)</p>
	<p><i>Massachusetts Avenue</i> Enhance existing public spaces, create new public space interventions and amenities, and introduce public art and performances to support the Central Square Cultural District</p>	<p>MEDIUM (<i>in process</i>)</p>

<p>2. Create new outdoor public spaces in conjunction with (re)development</p>	<p>The redevelopment of the Manning Apartments will result in the creation of a pocket park at Green Street between Pearl and Magazine streets.</p> <p>In conjunction with redevelopment of the former Quest Diagnostics properties, the Mass&Main project committed to create one to two small plazas along the north side of Mass Ave.</p>	<p>SHORT</p> <p>MEDIUM</p>
	<p><i>New connections in the Osborn Triangle</i> Incorporate green elements into any new street/access connection between Main Street and Mass Ave enabled by redevelopment. Consider incorporating ground floor retail, visible from Mass Ave and/or Main Street, as part of this connection. Consider opportunity for permanent or periodic pedestrian streets in the Osborn Triangle.</p>	<p>MEDIUM</p>
<p>3. Parklets</p>	<p>Parklets offer important short to medium-term opportunities for high-impact, low-investment public space involving business/property owner/organizational program partners on underutilized sidewalk areas. Possible locations include: <i>Post Office plaza, Carl Barron Plaza and/or Western Ave opposite the Plaza, Mass Ave opposite Norfolk Street, Mass Ave opposite Jill Brown-Rhone Park</i></p>	<p>SHORT TO MEDIUM</p>
<p>4. Indoor Public Spaces</p>	<p><i>Indoor public gathering space</i> Encourage establishment of a 'Public Room' and/or public market in association with property redevelopment or adaptive reuse, esp. of a public building or parking lot. To ensure retail marketability and significant public use, locate the facility near areas of heavy pedestrian traffic such as the Red Line station.</p> <p><i>Central Square branch library</i> Consider an alternative location and focus for the Central Square branch library that is located on Mass Ave and focuses on technology, art, and culture.</p>	<p>MEDIUM</p> <p>MEDIUM</p>

<p>5. Programming</p>	<p><i>Farmers Market</i> In the event of redevelopment of current city parking lot, accommodate the Central Square Farmer’s Market at or near its current site (improved), Jill Brown-Rhone Park or other suitable location.</p> <p><i>Partnerships</i> Work with any interested business or organization to enable their assistance in programming appropriate use of public spaces. Assistance may include design, funding and management</p>	<p>MEDIUM</p> <p>ON-GOING</p>
<p>6. Priority Streetscape and Active Edge Improvements</p>	<p><i>Develop/adapt buildings to include active ground floor uses.</i></p> <ul style="list-style-type: none"> • East side of Sidney Street at Lafayette Square • One or both sides of Sidney Street from Mass Ave to and along University Park Commons • City parking lot edges, and other large parking lot frontage along streets/sidewalks • <i>Consider installing street trees and/or ornamental plantings in planters</i> along Mass Ave between Prospect-Essex and Magazine-Pearl where below-grade obstructions prevent in-ground trees. • <i>Install green “biowalls” or public art</i> where parking structure walls abut sidewalks, in particular along south-facing portions of the Green Street and Quest parking structures • <i>Encourage the use of technology-based ideas</i> for signage, wayfinding, and providing information for events and transit information • <i>Encourage the inclusion of publically accessible toilets in new development</i> • <i>Continue to explore the potential for siting a City public toilet in appropriate public locations in the square.</i> 	<p>LONG</p> <p>MEDIUM</p> <p>LONG</p> <p>SHORT</p> <p>MEDIUM</p> <p>ON-GOING</p> <p>ON-GOING</p> <p>ON-GOING</p>

RETAIL, CULTURAL & NON-PROFIT		
CATEGORY/ISSUE	RECOMMENDATION/STATUS	SCHEDULE (SHORT, MEDIUM, LONG-TERM, ON-GOING)
1. Promote the identity of Central Square and the Central Square Cultural District	Continue to support a range of activities which enhance and promote the identity of the Square – from the recent 3rd Annual “Central Clean-Up” to 2nd Annual STEAM Family Disco	ON-GOING
2. Encourage further engagement of cultural organizations, neighborhoods and other stakeholders, as well as businesses, in CSBA initiatives to expand capacity for and participation in Central Square management	<i>Continue investment of public resources in the planning and infrastructure of Central Square to encourage the engagement of a range of stakeholders in future initiatives of the CSBA and participation in the Central Square management.</i>	ON-GOING
3. Encourage expression of creativity in the public realm	Partner with CSBA, business and property owners to create interesting and fun public art that adds to the vibrancy of the Square Administer an annual storefront award program to encourage and recognize creative storefront displays	SHORT SHORT
4. Support the CSBA as it explores the feasibility of a Business Improvement District (BID) or other mechanism to enable sharing of resources and to expand management and funding capacity for	Continue to require commercial ground floor activity in new development. Through the ongoing development of the Central Square commercial area, the feasibility of a BID improves, with the increased retail activity and commercial base.	ON-GOING

<p>initiatives such as marketing, cultural/community events, communications and tenanting support, fielding “ambassadors” in the Square, cleanliness, adding and maintaining plantings etc.</p>		
<p>5. Consider feasibility and impacts on businesses of expanding free, public wifi in Central Square</p>	<p>Continue to explore feasibility of expanding free, public wifi.</p>	<p>SHORT</p>
<p>6. Work with CSBA, Cambridge Arts Council (CAC), and property owners to expand opportunities for occupancy of temporarily vacant storefronts</p>	<p>Proactively work with owners of vacant spaces to suggest opportunities for installation of public art, temporary or “pop-up” retail, or other occupancy that contributes to the overall economic prosperity and character of the Square</p> <p>Establish convenient mechanisms to help temporarily fund insurance, utilities and/or related costs that may impede short-term occupancy</p>	<p>SHORT</p> <p>SHORT</p>
<p>7. Support local businesses such as retail and restaurant businesses</p>	<p>Maintain and publicize an inventory of retail and office spaces, diverse in size, to help market spaces to potential new tenants, and to advise current tenants on opportunities for relocations.</p> <p>Work with CSBA and City to recruit and match desired retailers for available space.</p> <p>Encourage tourism through measures such as accommodations for parking tour buses</p>	<p>ON-GOING</p> <p>IN PROCESS</p> <p>SHORT</p>
<p>CONNECTING PEOPLE TO THE SQUARE</p>		
<p>CATEGORY/ISSUE</p>	<p>RECOMMENDATION/STATUS</p>	<p>SCHEDULE (SHORT, MEDIUM, LONG-TERM, ON-GOING)</p>

Attachment: C2 NonZoning Response-Final 062216 (CMA 2016 #196 : AR Response RE: C2 Non-zoning Recommendations)

<p>1. Create better walking environment</p>	<p>Widen sidewalks where widths are inadequate to accommodate pedestrian flow. Specifically, widen the Magazine Street sidewalk at Carl Barron Plaza and adjacent bus stops as much as possible without impeding bus operations.</p> <p>Improve pedestrian street lighting to increase safe and convenient access to evening cultural and dining destinations.</p> <p>In Osborne Triangle west of Windsor Street, encourage activity and sense of neighborhood around Jill Brown-Rhone Park and discourage the dominance of commercial uses that are not pedestrian-oriented in the area.</p> <p>Break up large blocks in Osborne Triangle by creating pedestrian connections, covered or open, which enhance community connectivity e.g. Village Street extension, which would create a connection between Mass Ave. and Main Street.</p>	<p>MEDIUM</p> <p>SHORT</p> <p>MEDIUM</p> <p>LONG</p>
<p>2. Develop real-time transit information service</p>	<p>Work with the MBTA to introduce real-time transit information service signage at bus stops in and near Carl Barron Plaza and Red Line station entrances. This should include bus schedule information.</p> <p>Collaborate with the CAC, MIT Media Lab and/or other partners as well as the MBTA to make information a signature experiential/identity element as well as a practical one</p>	<p>ON-GOING</p> <p>SHORT</p>
<p>3. Coordinate among different transportation modes while discouraging automobile use</p>	<p>Enforce traffic ordinances to minimize conflict between vehicles, cyclists and pedestrians.</p> <p>Monitor pedestrian and vehicle flow/conflict impacts of new development in critical locations, such as at Magazine Street and Mass Ave.</p> <p>Review all signage at Mass Ave/Prospect/River/Western Ave to provide better guidance to vehicles.</p> <p>Review parking meter/parking lot payment policies to provide consistency.</p>	<p>ON-GOING</p> <p>SHORT</p> <p>SHORT</p> <p>SHORT</p>

Attachment: C2 NonZoning Response-Final 062216 (CMA 2016 #196 : AR Response RE: C2 Non-zoning Recommendations)

	Evaluate adoption of technology-based payment solutions including credit card and pay by cellphone	IN PROCESS
ENVIRONMENTAL		
CATEGORY/ISSUE	RECOMMENDATION/STATUS	SCHEDULE (SHORT, MEDIUM, LONG-TERM, ON-GOING)
1. Identify and eliminate policies that subsidize automobiles	Continue to apply City policies for new development which prioritize alternative solutions to Single Occupancy Vehicles.	ONGOING
2. Add stormwater retention and infiltration infrastructure where appropriate to address flooding and water quality challenges	Create a stormwater facility near Jill Brown-Rhone Park, coordinated to accommodate associated development and/or public open space on-site.	LONG
	Utilize stormwater management measures e.g. rain gardens along streets where they can effectively aid stormwater management. Encourage adjacent property or business owners to help maintain rain gardens.	SHORT
	Increase on-site retention and cleansing of stormwater in new development and adaptive reuse through encouragement of green roofs, cisterns, rain gardens and/or related strategies as appropriate.	IN PROCESS
MUNICIPAL PARKING LOTS		
CATEGORY/ISSUE	RECOMMENDATION/STATUS	SCHEDULE (SHORT, MEDIUM, LONG-TERM, ON-GOING)
1. Redevelop public parking lots according to criteria that help advance the vision for the Square	Priority public benefits to be considered for the parking lots and potential redevelopment of other public property in the area include one or all of the following: <i>Creative, new public space that fosters community and supports arts and programming -- outdoor (e.g. plaza, park) or indoor (public room/gathering space, public market, possible uses such as relocated Central Square library).</i>	LONG
	<i>Mixed income housing – including a significant component affordable to middle income and low/moderate income residents, including 2-3 bedroom units designed for families.</i>	LONG

	<p><i>Affordable retail and non-profit space</i> especially focused on arts and culture.</p> <p><i>Other goals</i> indicated in the C2 plan.</p> <p>Redevelopment should <i>improve public edges</i> along streets and sidewalks and <i>enhance walkability and connections</i> between the Square and adjoining residential neighborhoods. Such redevelopment will require accommodation of short-term public parking either as part of the redevelopment on each site or evaluation of short-term public parking needed to support the Square based on creating a consolidated parking facility – below grade or above grade, faced with active edges at street level if this is needed to release the remaining lots for desired redevelopment. <i>Traffic impacts of such consolidation and optimal amount of parking spaces to be replaced must be evaluated</i> at the time such a solution is contemplated to match supply to need based on changing behavior over time</p>	<p>LONG</p> <p>LONG</p>
--	--	-------------------------

MONITORING PUBLIC BENEFITS

CATEGORY/ISSUE	RECOMMENDATION/STATUS	SCHEDULE (SHORT, MEDIUM, LONG-TERM, ON-GOING)
1. Mechanism to monitor public benefits	Create a mechanism to record, update, and monitor public benefits commitments by developers that is transparent and easily accessible to the public. Implement measures to monitor compliance and enforcement	SHORT
2. Role of the City in monitoring public benefits	In considering alternative means of reaching a goal, for example, creation of 'public' space in a new development, select the means that retains the most control for the City	ON-GOING

TRAFFIC AND TRANSPORTATION - GENERAL			
CATEGORY	ISSUE	RECOMMENDATION/STATUS	SCHEDULE (SHORT, MEDIUM, LONG-TERM, ON-GOING)
A. Character and Streetscape	<ol style="list-style-type: none"> 1. Reduce Mass Ave character as a thoroughfare. 2. Need grand vision and cohesive design strategy. Need more trees/green - feels barren and unpleasant to walk. 3. Cars dominate – Central Sq should be a place, not a jumble of cars. 4. Streets parallel to Mass Ave shouldn't feel like alleyways. 	<ol style="list-style-type: none"> 1. When Mass Ave is reconstructed consider interventions such as reallocation of ROW to strengthen peds, bikes, and transit facilities. 2. Refer to Design Guidelines for additional information on street/sidewalk environment. 	<p>Long-Term</p> <p>Short – long term depending on pace of (re)development</p>
B. Conflicts among all modes	<ol style="list-style-type: none"> 1. Can we separate the various transportation modes to enhance safety and improve flow? 	<ol style="list-style-type: none"> 1. When Mass Ave is reconstructed consider interventions such as reallocation of ROW to strengthen peds, bikes, and transit facilities. 	<p>Long-Term</p>
C. Transit	<ol style="list-style-type: none"> 1. Improve MBTA Red Line and bus transit capacity and frequency to continue to accommodate growth in Cambridge and the broader region. 2. Increase effectiveness of the bus network -- ridership, rider experience, and efficiency. Evaluate creating a bus depot. 3. People waiting for buses take up space on the sidewalks and reduce space available for open space and pedestrian circulation, especially at key pinch points. Decrease impact of buses 	<ol style="list-style-type: none"> 1. City, business association, residents and all stakeholders must advocate for continued MBTA system-wide infrastructure improvements, with special emphasis on enhancing Red Line capacity. 2. Based on preliminary evaluation, bus depot is not recommended. 3. Work with MBTA and property owners to have next bus info being displayed at the bus stops and/or in nearby stores. 4. Work on a study with the MBTA to look at routing, 	<p>Ongoing/Long-term</p> <p>Short to medium-term</p> <p>Medium-term</p> <p>UNDERWAY</p>

	<p>and bus stops on public space and sidewalks.</p> <ul style="list-style-type: none"> ○ Move stops off Mass Ave, move stops off Green/Magazine corner. ○ Bus only streets without cars. ○ Crowded sidewalk at bus stop waiting area by Convenience Store. 	<p>layover and stops changes for the Central Square buses. One goal would be to look at ways to reduce the crowding from people waiting for the bus at this location. The City is interested in having the route 70 and 70A buses extended to Kendall Square.</p>	
<p>D. Support non-auto modes of transportation</p>		<ol style="list-style-type: none"> 1. Continue to improve bicycling infrastructure by moving towards an environment where bicycles and vehicles are on equal footing (with a specific focus on Mass Ave from Inman Street to Portland Street). 2. Continue to improve signage for both bikers and pedestrians. 3. Evaluate the feasibility of closing some side streets to vehicular traffic during high-congestion hours to encourage alternative bike routes and prevent neighborhood cut-throughs by automobiles. 	<p>ONGOING</p> <p>ON-GOING</p> <p>SHORT</p>
<p>E. Enforcement</p>	<ol style="list-style-type: none"> 1. Roadway users do not travel carefully and cause conflicts. Among the issues: <ul style="list-style-type: none"> ○ motorists not yielding to pedestrians/bicyclists while turning; ○ motorists not yielding to peds at crosswalks; ○ motorists running red lights; motorists opening car doors; ○ pedestrians jaywalking; ○ cyclists not yielding to peds in crosswalks; 	<ol style="list-style-type: none"> 1. Stricter enforcement <ul style="list-style-type: none"> ○ of automobile moving violations. ○ ticket bicycles and peds at signals and unsignalized crosswalks. ○ ticket Jay walkers. 2. Combine enforcement with education via a variety of media. 3. Cars run red lights -- could be addressed with camera enforcement. 	<p>ON-GOING</p>

	<ul style="list-style-type: none"> ○ cyclists on sidewalk; ○ cyclists running red lights. 		
F. Illegal parking	<ol style="list-style-type: none"> 1. Illegal parking in general such as delivery trucks in bicycle lanes, non-residential parking in resident only areas at night. 	<ol style="list-style-type: none"> 1. Enforce at hot spots and evaluate problem areas for curb regulation changes. Examples include providing additional loading zones where warranted to prevent delivery trucks in bicycle lanes. Also work with businesses on delivery schedules and locations. 	Short-Term and On-Going.
G. Trucks	<ol style="list-style-type: none"> 1. Oil tankers are not compatible with Central Square character 	<ol style="list-style-type: none"> 1. River, Western, Pleasant, Mass Ave, and Main St are designated regional truck routes. City cannot restrict trucks without State approval as part of a regional plan. City has been unsuccessful in finding alternate routes that will satisfy regional requirements. 	NO ADDITIONAL ACTION PLANNED AT THIS TIME
H. Non-MBTA transit	<ol style="list-style-type: none"> 1. LMA shuttles loud and not energy efficient. 	<ol style="list-style-type: none"> 1. City has conveyed this concern to the Medical Area Scientific Community Organization (MASCO) which operates shuttles. New hybrid vehicles are in service. 	LONG
I. Signage	<ol style="list-style-type: none"> 1. In general, the environment feels cluttered with too many signs and this creates confusion. In particular, the special signs installed at Mass/River/Western are confusing. 	<ol style="list-style-type: none"> 1. Review Central Sq signage and identify opportunities for reducing/improving signage. Note that many of the signs are there because of requests from the public and businesses who want them there. 	Short to Medium-Term

TRAFFIC AND TRANSPORTATION - LOCATION SPECIFIC			
LOCATION	ISSUE	RECOMMENDATION/STATUS	SCHEDULE (SHORT, MEDIUM, LONG-TERM, ON-GOING)
Massachusetts Avenue	<ol style="list-style-type: none"> Bicycling on Massachusetts Avenue is difficult due to <ul style="list-style-type: none"> illegal parking in bicycle lanes dooring buses stopping in bicycle lanes rather than pulling to curb trucks, buses and cars pulling into and out of the bicycle lanes At Mass and Prospect peds conflict with right turning vehicles on Mass Ave east side crosswalk. Route 1 bus too slow and too crowded. 	<ol style="list-style-type: none"> Long-term reconstruction should create a separated bicycle facility/cycle track. Increase enforcement of illegal parking in bike lanes. Massachusetts Ave northside between Prospect and Temple Street - move HP spot to Temple and make the block a loading zone. Mass Ave southside Inman to Temple make a loading zone 7am to 11am, relocate HP space. 	Long-Term Short-Term
Pleasant Street @ Massachusetts Avenue	<ol style="list-style-type: none"> Pedestrians crossing at Pleasant Street/through cyclists on Massachusetts Avenue conflict with motorists coming from Inman Street to Pleasant. Westbound stop line on Mass so far back that cars running the yellow conflict with the pedestrians crossing with the walk light. 	<ol style="list-style-type: none"> Evaluate potential signal or crosswalk changes to reduce or eliminate conflict. TP&T work is underway to add a signal head so that the stop bar for westbound Mass can be moved to Inman St. Eastbound bicycle lane to be marked through the Pleasant St intersection. 	Short-Term
Mass @ Inman	Mass crossing at 26 sec feels too short, Inman crossing is twice as long.	Mass. Avenue is the major roadway and has longer green time than Inman Street which permits additional pedestrian crossing time of Inman Street. Time for pedestrian crossing of Mass. Avenue was extended in 2011 in	On-Going

		coordination with the Senior Center, and currently provides more pedestrian crossing time than national standards require.	
Inman @ Bishop Allen Drive	Can we add a crosswalk for the people going to and from the Food Pantry?	This is not recommended. The addition of a crosswalk at this location would either eliminate the loading zone for the Food Pantry or eliminate 2 resident permit spaces depending on which side of the intersection it was placed on.	N/A
Pleasant @ River		In DPW 5-year street reconstruction plan. Improvements will be evaluated and implemented as part of that plan.	SHORT
Temple Street	Pedestrian crosswalk east of Temple Street is difficult to see at night.	Highlight this issue to be addressed in lighting plan for Central Sq as part of the City's LED conversion.	COMPLETED
Green Street at Magazine Street	Motorists ignore stop sign and don't yield to pedestrians at this intersection.	It is extremely difficult to get all cars to stop at the stop sign at Green/Magazine when the signal at Green/River is green, given the short distance between the stop sign and the signal.	Medium to Long-Term
Green @ Magazine Street	Poor snow clearance at Green and Magazine for peds.	Work with DPW and property owners to improve snow clearance on sidewalk.	On-Going
Green @ Pearl	Crowded sidewalk at bus stop on Green Street at Pearl waiting for 70 and 70A.	The City will be working on a study with the MBTA to look at routing, layover and stops changes for the Central Square buses. One goal would be to look at ways to reduce the crowding from people waiting for the bus at this location. The City is interested in having the route 70 and 70A buses extended to Kendall Square. A	Medium to Long-Term

		bus bulb on Green Street approaching Pearl Street is being considered, as a means to create more waiting area for bus passengers	
Essex Street and Norfolk Street	Limited greenery and narrow sidewalks make unattractive pedestrian connections between Area 4 and Central Square	Work with the City Arborist to find additional appropriate locations for trees and other green elements to improve pedestrian environment	Short to Medium-term
Essex Street and Bishop Allen Drive	Unattractive surface parking lots.	TP&T will work to improve aesthetics in City Lots, which currently have Murals and landscaping.	Medium to Long-Term
Pearl Street @ Massachusetts Avenue	<ol style="list-style-type: none"> 1. Pedestrian crossing Pearl/through cyclists conflict with left turning cars. 2. Vehicles cut through from Norfolk to Pearl. 3. So many things happening it is hard to know where to look. Can we ban left turn into Pearl? 	No changes to this location have been identified. The traffic move from Norfolk to Pearl provides an option for residents crossing Central Square that is strongly supported. TP&T will review the crash history at this location.	N/A
Pearl Street between Massachusetts Avenue and Franklin Street.	<ol style="list-style-type: none"> 1. Narrow sidewalks and lack of shade on Pearl Street. 2. Poor pedestrian environment due to blank walls and limited ground floor activity. 	Create new frontage at library	Long term
Pearl Street & Upper Brookline Street	<ol style="list-style-type: none"> 1. Illegal parking on Pearl Street prior to loading zone blocks buses. 2. Loading activity on Brookline Street obstructs travel lane. 	<ol style="list-style-type: none"> 1. Create enforcement priority hot spots. 2. Review Green Street signage. 	Short-Term
Brookline @ Mass	Ped crossing in the middle of the Brookline to Douglas conflicts w/vehicles.	The current location of the crosswalk has been found to be better than alternative locations which would either lead to higher levels of conflicts or the loss of highly	N/A

		used, short-term parking spaces in front of businesses.	
Unsignalized crosswalk by Salvation Army	Lack of yielding by motorists	Yield to peds sign has been placed in the center of the roadway. Salvation Army responsible for maintaining yield barrel.	On-Going
Columbia Street & Lafayette Square	<ol style="list-style-type: none"> 1. Very long crossing of Sidney Street extension for pedestrians. 2. Lack of yielding at Columbia Street and Lafayette Square. Desire for street space for special events. Main St bike lane leads to bikes in Lafayette Square, conflicting with park users. 	<ol style="list-style-type: none"> 1. Would need to rebuild. 2. Install bicycle box and mark left turn movement for bicycles on Main Street westbound onto Sidney St. Extension. 	Long-Term Short to Medium-Term
Main Street & Front Street & Windsor Street	<ol style="list-style-type: none"> 1. Lack of pedestrian connection between Main Street and Massachusetts Avenue from Windsor Street to Sidney Street extension. 	<ol style="list-style-type: none"> 1. Design guidelines to encourage connection – implemented via project review 	Short term
Green St Garage	Green St garage is not popular with motorists and is sub-optimal in its connection to the street and public realm.	<p>Consider full range of options including:</p> <ul style="list-style-type: none"> ○ Tear it down to accommodate other possible uses needed to streamline bus operations or other amenities for Central Sq. ○ Enlarge to consolidate parking for Central Sq – this poses structural issues and may require demolition and reconstruction; traffic impacts on Green St will also need to be evaluated 	Long-Term
