

COMMUNICATIONS: A communication to assist a planetwide understanding of an upcoming major planetwide event announced by Peter Excalibur Valentine 37 Brookline St. Cambridge, MA USA

This message has been given to me to give to you.

And yet although difficult to believe I have experienced the Givers' Power, to abandon any fears of what might be thought of me for being its Bringer, for I know the Power of my Path.

The purpose of giving this message is to assist those who are destined to withstand The Light of Judgment so that they may overcome their fears and carry on with Lifes' activities.

And therefore I state:

that in the month of March 2011 a day will come upon The Earth when every single being above -the animal body level- regardless of their standing in Life or those highly technologically advanced having lived inside the Earth for thousands of years or whether they be Cosmic Galactic beings who have affected Earth life for thousands of years

will face The Light of The Highest Realm

For it is the Will of The Highest Realm that a Judgment Occur as to who is worthy of Living on The Earth and who is not.

If judged by The Highest Realm that a being is not worthy of such Life that being will disappear from The Earth in less than one second.

So by this message you who are judged worthy may know what is happening when you hear that thousands of people have disappeared.

For those who remain, you are to build world worthy of this Earth, where the individual may explore their Sacred Abilities and do so in a way, so that the Earths' resources not plundered and desecrated.

And so I have given this message as it was given to me to do,
