The Central Square Advisory Committee: 2011 and the City of Cambridge invite you to a community workshop to help plan for the future of Central Square.

Learn about the planning process and the preliminary vision emerging from Advisory Committee discussions, informed by the input received at the June 2011 public meeting. The process will produce a vision designed to foster an exciting, diverse place for people who shop, recreate, work, live, and will live here.

CENTRAL SQUARE VISION—A DESTINATION FOR CULTURAL LIFE, RETAIL CHOICES AND COMMUNITY GATHERING

Supporting strategies:

- Enhance ability of Central Square to support active civic life and dynamic cultural arts—especially in **public spaces**.
- Connect Central Square to the larger community with a network of great **walking streets** and improved walking, biking and transit choices.
- Preserve diversity of housing choices, community identity, the arts, retail and workplaces by adding **mixed-income housing**
- Maintain and expand **retail diversity**.

Hear about the committee's work to date and share your thoughts and priorities for the area. Please join the discussion – your voice is essential to the success of Central Square!

All ages are welcome, and we encourage you to bring a neighbor or a friend.
