

CAMBRIDGE

City Council Candidate's Night on Environment and Energy Issues

October 3, 2007
6:30 – 9 pm

Moderator: Steven Miller, Livable Streets Alliance

At Cambridge College
1000 Massachusetts Avenue
Between Central and Harvard Squares, Cambridge

***** Refreshments Provided *****

Do you care about the energy efficiency of our schools? Air pollution and asthma? Doing something about global warming? Alternatives to car ownership? Keeping Cambridge naturally cool in the summer? Preserving our open spaces and rivers?

So do we! **Green Decade/Cambridge** has invited all candidates for Cambridge City Council to speak on these and many other environmental and energy issues that impact all of us living in Cambridge.

Please join us and ask your questions!

View our website at www.greencambridge.org

Co-sponsors: Cambridge Chamber of Commerce, Friends of Alewife Reservation, Green Streets Initiative, Harvest Co-op, Harvard Green Campus Initiative, Mass. Sierra Club, Mystic River Watershed Association, Clean Water Action and ZipCar.
