POLL PAD[®]

POWERED BY  knowink

PROVIDED BY 

The nation's leading electronic poll book from New England's leading election services company.

The Poll Pad[®] e-poll book for paperless voter check-in replaces the outdated paper model that is often the cause of long lines at the polls and inefficient election record keeping.

VOTER

An average voter check-in time of about

15 SECONDS

means shorter wait times and, ultimately, increased voter turnout.

POLL WORKER

Locate voters faster and easier using

MANUAL ENTRY OR ID SCAN

methods. Also, electronically-recorded totals means no counting and tallying voters per page on a paper list.

CLERK

Load Voter History into the VR system post-election in

MINUTES INSTEAD OF DAYS

Also, get streamlined access to check-in totals, turnout data, and reports from the administrative dashboard.

MODERNIZE YOUR ELECTIONS

WHERE IS THE POLL PAD®?

The Poll Pad® is used in 3 countries, 28 states, plus the District of Columbia totaling over 115,000 Poll Pads nationwide.
