Section 8.67.010 Short Title.

This Chapter may be cited as the “Bring Your Own Bag Ordinance” of the City of Cambridge.

Section 8.67.020 Declaration of findings and policy—Scope.

The City Council hereby finds that the reduction in the use of disposable checkout bags by Retail Establishments in the City of Cambridge (the “City”) is a public purpose that protects the marine environment, advances solid waste reduction, reduces greenhouse gas emissions, and protects waterways. This Ordinance seeks to reduce the number of plastic and paper bags that are being burned, used, discarded and littered, and to promote the use of reusable checkout bags by Retail Establishments located in the City. This Ordinance seeks to ensure that customers using reusable checkout bags are made aware of the need to keep those bags sanitized between uses in order to protect against the transmission of food-borne illnesses.
