Communications: To the City, Govt of Cambridge,
from Peter Valentine 30 Brookline St. 8/7/2013

It is suggested that all individuals applying
for work in the Govt of Cambridge, be
required to take a mental and emotional
stability test. Because for example
if the person who filed a 4 million dollar
lawsuit was so unstable and intellectually
weak that they needed 4 million dollars
to recover, They never should have been
given the job in the first place. And
because in the second place they could
of caused harm to a city employee or
a citizen.
